

Irfan

UI/UX & Frontend Developer

• Profile

Hi, I'm Irfan — a passionate UI/UX and Web Designer with 3+ years of experience crafting clean, user-friendly designs. I specialize in responsive websites, mobile interfaces, and creative branding assets. Proficient in tools like Figma, Adobe XD, and Photoshop. I enjoy turning complex ideas into smooth digital experiences. Always curious, always learning — I bring design to life with purpose and precision.
